

FOREIGN CLAIMS SETTLEMENT COMMISSION
OF THE UNITED STATES
WASHINGTON, D.C. 20579

IN THE MATTER OF THE CLAIM OF

HARVEY RAU

Claim No. CU-3141

Decision No. CU

98

Under the International Claims Settlement
Act of 1949, as amended

PROPOSED DECISION

This claim against the Government of Cuba, under Title V of the International Claims Settlement Act of 1949, as amended, was presented by HARVEY RAU for \$294.00, based upon the asserted ownership and loss of a stock interest. Claimant, HARVEY RAU, states that he has been a national of the United States since his birth on October 31, 1925.

Under Section 503 of the International Claims Settlement Act of 1949, as amended (64 Stat. 12; 69 Stat. 562; 72 Stat. 527; 78 Stat. 1110; 79 Stat. 988), the Commission is given jurisdiction over claims of nationals of the United States against the Government of Cuba. That section provides that the Commission shall receive and determine in accordance with applicable substantive law, including international law, the amount and validity of claims by nationals of the United States against the Government of Cuba arising since January 1, 1959 for

(a) . . . losses resulting from the nationalization, expropriation, intervention or other taking of, or special measures directed against, property including any rights or interests therein owned wholly or partially, directly or indirectly at the time by nationals of the United States, . . .

Claimant has based his claim on 300 shares of United Cuban Oil, Inc.

Section 502(1) of the Act defines the term "national of the United States" as ". . . (B) a corporation or other legal entity which is organized under the laws of the United States, or of any State, the District of Columbia, or the Commonwealth of Puerto Rico, if natural persons who

are citizens of the United States own, directly or indirectly, 50 per centum or more of the outstanding capital stock or other beneficial interest of such corporation or entity."

The stock certificates of United Cuban Oil, Inc., reflect that it was incorporated under the laws of the State of Delaware. The President of United Cuban Oil, Inc. has informed the Commission that over 50 per centum of the capital stock of said corporation is owned by United States citizens, which would qualify it as a United States national within the purview of Section 502(1)(B) of the Act.

Section 505(a) of the Act provides that

A claim under section 503(a) of this title based upon an ownership interest in any corporation, association, or other entity which is a national of the United States shall not be considered

The Commission concludes that since this claim is based on a stock interest in a corporation which qualifies as a United States national, the Commission is precluded, under Section 505(a) of the Act, from considering this claim. Accordingly, it is hereby denied.

The Commission deems it unnecessary to make specific findings with respect to other elements of this claim.
